Our History

River's Edge is an adventure company in the Northwoods of WI, on the banks of the Manistowish River. We are a fully operational outfitting company, providing canoes, kayaks, camping gear, bikes, and winter adventure gear.

The main lodge building was constructed in the early 90's on the foundation of what was the Circle Lily Lodge, a traditional Northwoods supper club. The site dates further back to the early logging and prohibition days where Louie's Circle Lodge, a resort and restaurant, was a popular stop along Highway 51.

Today, the location is still popular as a launch point for Northwoods adventures and sees visitors from all over the world coming to experience everything the area has to offer.

The Lodge

The main lodge space is approximately 30'x80' and is ideal for informal socializing. Furniture and room layout can be reconfigured to accommodate event space needs. Additional folding tables and stacking chairs are also available.

Get outside!

A large deck, lawn and fire ring extend the space to the outdoors for campfires and river views.

Winter at River's Edge

The lodge is open year-round and is ideal for winter events.

The Gear

Of course, as outfitters, we do have all the gear one would need to adventure in the Northwoods. Kayaks, canoes, bikes, skis and snowshoes are all available and can be added to your event experience.

River's Edge is located directly on the Manitowish River for paddling and the Heart of Vilas County bike path, offering over 40 miles of paved Northwoods riding.
